With references 2 to 4 cited, the condition prescribed for payment of spot incentive to the conductors involved in C & T irregularities is silent regarding payment of spot incentive, i.e whether to withheld or release the spot incentive earned by the conductor in the event of involvement in C & T irregularities. VC &MD has accorded permission to introduce the following condition for payment of spot incentive to the conductor as well as for drivers using TIMS.

*“The spot incentive earned for the day will be forfeited, if the conductor/Driver operating TIMS is involved in C & T irregularity”.*

This condition is applicable to all depots except HCR depots. The other terms and conditions prescribed in the Depot Incentive Circulars stand good.
