.. ..

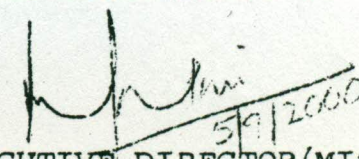

The Incentive Scheme to the Drivers using Ticket Issuing Machines has been introduced vide Circular cited. Accordingly, the incentive is being paid to the Drivers using Ticket Issuing Machines. The above Circular is valid for a period of three months from the date of implementation of the trial run. The Ticket Issuing Machines are introduced at Hyderabad-I and Vijayawada Depots in the month of June 2000. The validity of above Circular will be completed by August 2000 in the above Depots.

Considering the field problems like non availability of sufficient trained Drivers and the fact that the Ticket Issuing Machines are yet to be introduced in the remaining Zones, the validity of the Scheme has been extended for a further period of three months in respect of depots where the Ticket Issuing Machines are already under utilization for which VC & MD has accorded his approval.

However, in case of the depots where the Ticket Issuing Machines are yet to be introduced, the above Circular will be valid for a period of three months from the date of introduction of Ticket Issuing Machines.

Other terms and conditions contained in the referred Circular stands good.

This has the approval of VC & MD with the concurrence of F.A.
