APSRTC.

Sub:- Bifurcation of daily earnings in "apsrtcinfo" – Reg.  
\*\*\*\*\*

At present only traffic earnings realized for the day and upto the day are made available in " Daily operational review " statements in [apsrtcinfo.com](http://apsrtcinfo.com).

In addition to the traffic earnings, other earnings are also being realized like toll plaza amount, PIS fee, Passenger cess, safety cess etc., . IT department has developed software to display the bifurcation of earnings i.e., service earnings, buspass earnings, RJY/TAYL earnings, Toll plaza amount , Passenger Cess, PIS fee, Service Tax and Safety cess.

The above details are made available in OPD Daily Reports with caption "Bifurcation of Daily Earnings realized " in [www.apsrtcinfo.com](http://www.apsrtcinfo.com).

The format of the statement is shown below.

Sl No	Region	Service Earnings	Bus pass	RJY/ TAYL	Tot.Traffic Earns	Tollplaza	Cess	P.I.S	Service Tax	Safety Cess	Total
1	Ananthapur	85.41	0.28	0	85.69	1.55	1.73	0.69	0.02	0.81	90.49
2	Chittoor	167.11	0.07	0.04	167.22	3.04	2.75	1.28	0.17	1.28	175.74

The breakup of earnings for the day and upto the day on any selected date is made available in the report. If we click on Region name, the depot wise breakup of earnings will be displayed.

Hence all Regional Managers are requested to instruct the Field Managers to utilize the above report for analysis of earnings realized under different heads and improve the same.
