

ANDHRA PRADESH STATE ROAD TRANSPORT CORPORATION

O/o the V C & M D,  
Bus Bhavan, Hyderabad.  
Dt.12.07.2012.

Lr.No.STO(DP)/FLOWCHARTS/2012-IT.

To,  
The Executive Director (GHZ&HZ),  
A.P.S.R.T.C. Hyderabad.

Sub : FLOW CHARTS: Computerization of flow charts of GHZ Depots - Reg.  
Ref : 1. Dy.CTM(SCH)/GHZ Lr.No.AMT/535(FLOW)/2011-GHZ Dt.5.4.2012.  
2. This office letter No. even 15.5.2012.

-oOo-

Instructions were given vide letter 2<sup>nd</sup> cited, to update the MTD-141 information of all the City services in Greater Hyderabad Zone depots using 'TRIP MANAGER' software in April/May 2012.

Using the information provided by the Depots, flow charts have been developed by Computers Department and the same were uploaded in [www.apstrcinfo.com](http://www.apstrcinfo.com) website. All the Depot Managers were instructed to verify the correctness of the data and make necessary corrections, wherever required.

Now the depot wise flow chart reports of GHZ are copied on to a CD, and the same is enclosed herewith, for verification and certification of MTD-141s data by Depot Managers of GHZ immediately.

In order to provide the midpoint flow in web site, the Depot Route wise stages information(file name is '2 digit depot code' + 'stage.isf') has to be fed accurately in the TRIPMANAGER software data.

Any changes in 141s from here onwards have to be approved by the concerned Regional Manager and the same has to be reflected in the TRIP MANAGER software before implementation of the revised schedule, so as to reflect correct information to the passengers seeking timings data on the website.

Hence, it is advised to instruct the Depot Managers to validate the data provided in CD and make necessary changes at the depot and handover the data to Computers Department by 20<sup>th</sup> Oct 2012 without fail.

  
VICE CHAIRMAN & MANAGING DIRECTOR

Encl : One CD.

Copy to Executive Director(O,MIS&AM) for information.
