Sub:- EAM: Provision for data entry of Face Lift activity details in the EAM Module -
Procedure for implementation - Reg.

Ref: 1. Circular No.10/2021 - MED, Dated: 12-10-2021.
2. Circular No. 09/2022 - MED, Dated: 01-07-2022.

Instructions were issued vide circulars in reference, to take up "Face Lift" of selected buses in the Corporation.

In this connection a data entry screen is provided in the EAM module, **Asset Numbers tab of APSRTC Asset Creation User** for capturing the field details of status of Face Lift and Face lift done date which will be reflected in APSRTC EAM MTD598 Report. The data entry screen is displayed here under.

Vehicle CO Number	1
Vehicle Last CO Date Done	12-MAR-20
Vehicle Last CO Reference	CO/1/2018
Vehicle Last CO Kms Done At	838574
Vehicle Face Lift Status	1
Vehicle Face Lift Date	12-JUL-2022

Enter "1" if the bus has undergone face lift only.

Enter Face lift date in the format of (DD-MON-YYYY)

The detailed procedure is documented and attached here with for easy understanding and implementation of data entry screen for capturing Vehicle Face Lift status and Vehicle Face lift done date. The responsibility for updating the details was exclusively given to Regional Core Group Members.

In this connection, it is requested to direct the Depot Mechanical In-charges in your jurisdiction to update the details in EAM through Regional Core Group Supervisors. It is also requested to ensure that the status till date shall be updated by 19th July 2022, so as to reflect the information in the MTD-598 and project the same in info.in. There after the details shall be updated as and when buses undergo face lift.

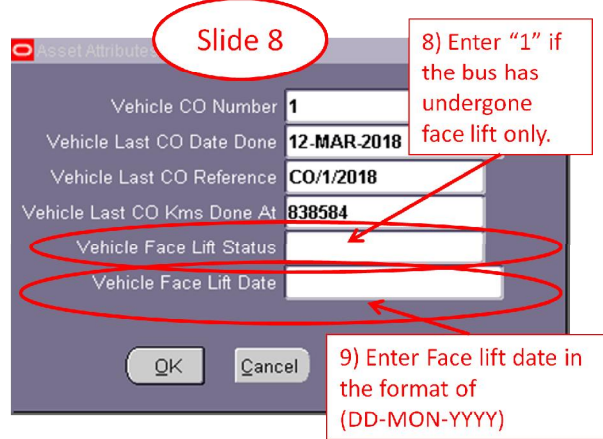

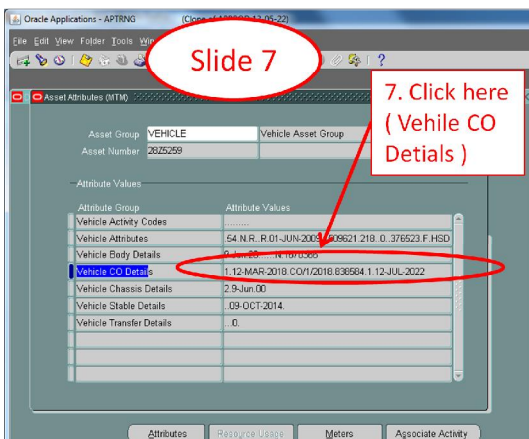

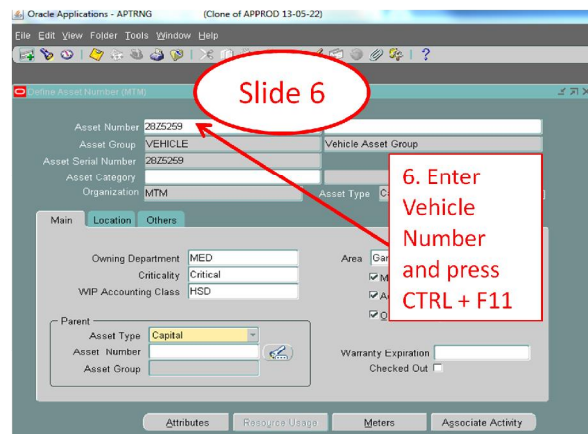

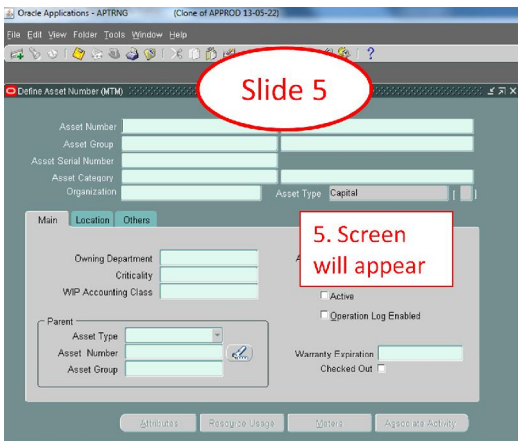

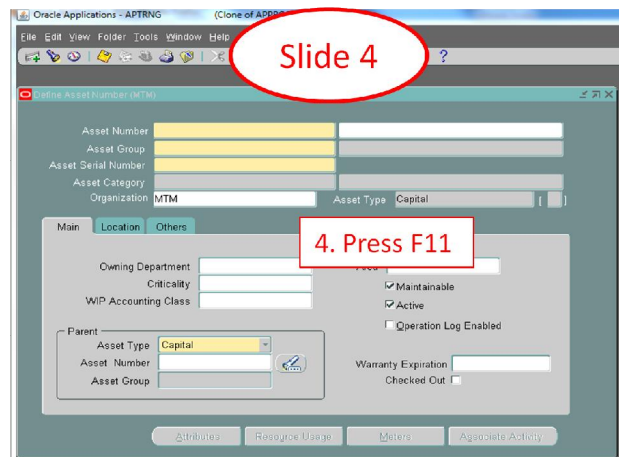

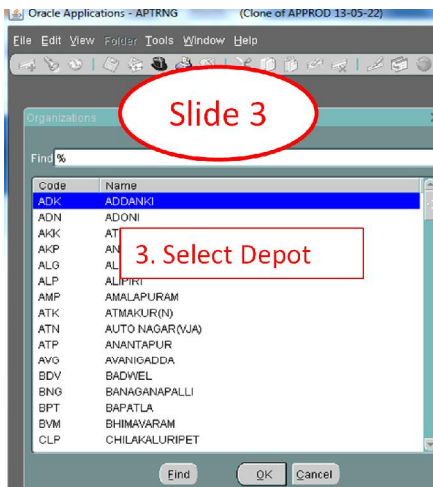

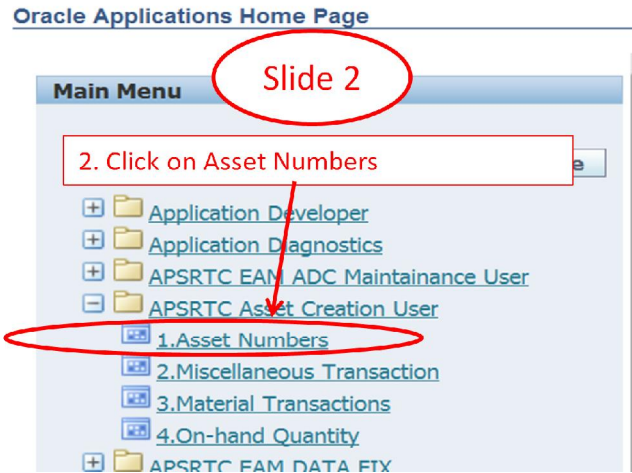

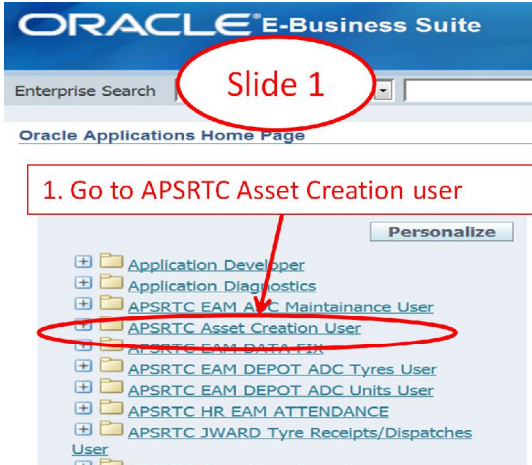

Treat the matter as most urgent.
