O/o the Managing Director  
Mushirabad: Hyderabad-20

**CIRCULAR NO.2/RMIS/2000-EDP, Dated : 11-05-2000**

Sub: **RMIS** - Usage of PCs at Executive Director's / Regional Manager's Office for  
ZMIS & RMIS Projects - Reg.

-000-

During the review meeting of RMIS project on 10-05-2000 with Regional Core Group Members at Computer Section, the System Supervisors have informed that the PC allotted for implementation of RMIS and ZMIS Projects are being utilised for other Office works for generating statements in LOTUS & WORDSTAR by the Officials of other sections of Regional Manager's Office and causing inconvenience to the MIS section.

Due to which the following problems are being faced while carrying out ZMIS & RMIS projects.

- 1.The RMIS project database files which are imported from depots are getting corrupted due to virus problem. At some Regions RMIS package was reloaded more than twice duly formatting Hard Disk.
- 2.Due to usage of floppies by the other section Officials the database files of RMIS section are getting corrupted.
- 3.Due to usage of PC by other section Officials the importing of data from depots is getting delayed.
- 4.The hard disk of PC has to be re- formatted to remove virus thereby losing the data available.

Due to the above problem the project MIS is getting delayed. If the system is used exclusively for RMIS & ZMIS project, we can get timely, accurate reports of Region & Zone, without duplication of data at MIS section.

All the Dy.CTMs of Zones and Regions are therefore directed to take necessary steps to use the PCs for ZMIS and RMIS Projects only. The receipt of this circular shall be acknowledged by the Unit Officer.
