

ANDHRA PRADESH STATE ROAD TRANSPORT CORPORATION

Case No.AME-1(M-IT)/PM(10)/2013

O/o the VC & MD,  
Dt. 18.06.2013.

To  
All Regional Managers,  
APSRTC

Sub: DCP-VEMAS- Preventive maintenance - Introduction of AL BS-IV Vehicles- Modification  
Of "VEMAS" software for preventive maintenance: Implementation-Reg.  
Ref:- Letter No. OP5/AL/01/2013-MED Dt.10.05.2013.

Corporation has introduced AL BS-IV Vehicles. AL BS-IV vehicles preventive maintenance parameters i.e., different oil and periodical changes have to be incorporated in the "VEMAS" preventive maintenance program.

Accordingly "VEMAS" preventive maintenance software has been modified to reflect all oil and periodical changes of AL BS-IV vehicles. Detailed procedure for implementation of the modified software is given in the file named "modifications.vemas" which is available in "RTCWAN" in "/DCP/TPTOBJ/vemas" directory. The modified programs viz. vehpmmast.cob, vehpmchnng.cob, vehpmh.cob will have to be downloaded from RTCWAN, from DCP/tptobj/vemas directory. These downloaded files will have to be copied into /tptobj/vemas directory at the Depots. The file oilchange-kms.txt which is also available in RTCWAN, in the same directory, can be used for reference.

Hence it is requested to advise the Depot Managers to instruct the concerned to download and implement the above said modified VEMAS programs for smooth functioning of VEMAS module.
