Sub:-	ALLOWANCES: Generation of Schedule Over Time based crew allowance on revised Dearness Allowances - Software for implementation at Depots - Reg.
Ref:-	Circular No: PD-06/2015, dated: 19-09-2015.

Through circular cited above, the rate of Dearness Allowance (DA) has been enhanced from 69.4% to 74.3% of Pay per month to all Employees and Officers whose pay was fixed in RPS-2009, w.e.f.01-01-2015.

The Crew Schedule over Time is calculated in "CREW ALLOWANCE SOFTWARE" of OLTAS Module in DCP as per the Basic Pay and DA for Regular Crew. DA percentage was hard coded in the software for security reasons. As per the Circular instructions, necessary modifications were carried out in the programs "dvalwnew.cob" for District depots and "cityalw.cob" for city/town depots to generate Schedule OT for regular crew with 74.3% DA.

The revised programs are ported in the 'RTCWAN' in "DCP/TPTOBJ/oltas" folder.

It is requested to instruct the Regional core Group Members and Depot system in-charges to download the revised programs and copy the files into "/tptobj/oltas" directory in Depot computer system and generate Crew Allowance Report for the month of JAN-FEB-2015.
