Corporate Office,
Mushirabad, Hyderabad-20,
Dated: 21-01-2015.

To
All Regional Managers,
APSRTC

Sub:- **DOUBLE DUTY:-** Development of Software to enable spot payment of Double Duty amounts - Implementation of modified Software - Reg.

Ref:- 1. Circular No: 04/2010-IT Dt: 13-07-2010.
2. This office Lr.No: even Dated:10-08-2012

For streamlining of sanction, drawl, payment, recovery and accountal of Double Duty advances payment to crew, the Computers Department has developed software to enable spot DD amount payment to crew who performed double duty similar to spot incentive during the waybill receipt program from bus cash.

On review of payment of Double Duty amount, it is observed that some of the depots have allowed payment of more than three DD amounts in a day for a particular Conductor/Driver due to receipt of more than three waybills on a particular Conductor/Driver to adjust Extra Service Kms against other cancelled services. This is gross violation of Circular instructions.

In view of the above, the Computers Department has modified DD software not to allow more than one DD amount paid to a particular Crew on a particular day except in case of the crew who performs Double duty on Spl.Off or Weekly Off where in two DDs amounts are allowed.

Further, Waybill receipt software is also modified to restrict acceptance of more than two waybills receipts for a particular crew on a particular day. The software will not allow third waybill receipt on a particular day for a particular crew.

The modified software is ported in the 'RTCWAN' in "DCP/TPTOBJ/oltas" folder.

Hence, it is requested to instruct the Depot Managers, Regional core Group Members and Depot system in-charges to download the modified programs and copy the files into "/tptobj/oltas" directory in Depot computer system.
