

ANDHRA PRADESH STATE ROAD TRANSPORT CORPORATION

O/o the VC & MD,
MSRD, HYD - 624.
Dt. 04.02.2013

No. AME-1(M-IT)/Gen(1)/13-IT

To
All Depot Managers (excluding DMs of HYD & Sec'bad Regions)

Sub : UPS Systems - Non-installation of UPS Systems supplied for Gang
Chargers - Reg.

--oOo--

In view of the voltage fluctuations which have resulted in damages to TIM chargers at some Depots sanction was obtained for providing UPS Systems to all the Depots (excluding Depots of Hyderabad & Secunderabad Regions) for Gang Chargers. 1.0 KVA Line Interactive UPS Systems have already been supplied to the Depots for this purpose.

It has come to the notice of the undersigned that in many of the Depots the UPS Systems supplied are not put to use. These UPS Systems are supplied with built-in batteries and do not need any external batteries. They can be directly connected and used and do not need any special installation procedure.

Hence, the Depot Managers are requested to immediately arrange for connecting and using the UPS Systems supplied for Gang Chargers, if they are not already being used. If existing 3KVA UPS is already connected to the Gang Charger, 1KVA UPS supplied can be utilised in Depot Stores or in office.

R.V. Jayant
CHIEF ENGINEER (IT) 11/2/13

Copy to all Regional Managers (excluding RM/HYD & RM/Sec'bad Regions) for inf.
