- ❖ Here we have to fill all the following details.
- ❖ Select Service Type, Effective From Date, Effective To Date, Start Place, End Place.
- ❖ Change Type (this change type is based on two methods. One is “Fixed” method i.e., a fixed amount can be changed. Another one is “Percentage” method i.e., here we have to give how much percentage to increase or decrease. Based on the two methods we have to select appropriate method by click on radio button provided).

- ❖ New Value (Example: If we select “Fixed” then we have to enter amount “100” for hundred rupees. Or if we select “Percentage” then we have to enter percentage “10” for 10%).
- ❖ Increase Or Decrease (we have to select the radio button Increase or Decrease) based on our requirement.
- ❖ Is Active (We have to click on “Yes” radio button to active the service). Then click on “Save” button. (Example: 10% fare will be increased for all the services from Vijayawada to Mangalam of Super Luxury type will be updated).
