Accordingly, group incentive program has been modified to incorporate Customer Relations Coordinator Special Incentive in the Group Incentive program. Now the special incentive amount can be paid to CRC through paysheet.

The implementation procedure of the modified group incentive program is given in the "modifications.vemas" files which is available under "RTCWAN" /DCP/TPTOBJ/vemas directory.

Therefore all the Regional Managers are requested to advise the Depot Managers to implement the same at the depots with immediate effect.
