

ANDHRA PRADESH STATE ROAD TRANSPORT CORPORATION

Lr.No. AME-1 (Magr-IT)/Vemas(06)/2012-IT.

O/o V.C & MD,
BUS BHAVAN, HYD,
Dt. 16.11.2012.

To
All Regional Managers,
APSRTC.

Sub:--**VEMAS** - Auditing of the important fields in the "VEMAS" vehicle Master and TYRE Master - Requested -Reg.

During the last one year, different Web based reports are being generated in apsrinfo.com website. For the purpose of generating these reports the "VEMAS" data is being transferred from depots to Head Office every day / periodically through Internet.

After analysing these reports, it is found that, still there are some data entry mistakes in "VEMAS" vehicle Master and Tyre Masters, due to which we are unable to get the correct status of the vehicles and tyres in the corporation. Hence it is decided to audit the VEHICLE master and TYRE master of all depots of the corporation.

The codes used in Vehicle Master for Engine Make, model, Operation Type, Power Steering type, commission date, Progressive Kms of vehicle, Engine Kms, Engine Status, Wheel Base, Vehicle status flag, Vehicle type(city/district/etc), Vehicle receipt date, year KMs (Kms of vehicle since April of the financial year), etc., and the codes used in Tyre Master are Tyre make code, Tyre Brand, Tyre size, ply rating, Tyre condition (Radial / Nylon/ Tube less - R/N/T), Condition wise receipt KMS, etc., are kept in "RTCWAN" under /DCP/TPTOBJ/vemas/codes directory.

Hence all Regional Managers are advised to give necessary instructions to Dy.CMEs to audit the "VEMAS" vehicle Master and Tyre Master and submit the compliance report to CME (O) / HO by 30.11.2012 duly sending the a copy to Dy.CME (SM-IT)/Computer Cell/HO.

EXECUTIVE DIRECTOR (E&IT)
