APSRTC has started Logistic business on trial basis from June, 2016. Commercial operations started from 27.08.2017 after completion of M/s ANL contract period.

A study was conducted on other competitive firms regarding tariff of couriers and it is observed that there is a scope for increasing the tariff of couriers.

Further, to improve our revenue through courier service and to establish ourselves in the Courier Business, the tariff of courier is revised and approved by the VC&MD. The approved courier tariff is as follows:

Discription	Upto 250 Gms	251-500 gms	501to 1000 Gms
Within AP	Rs. 50/-	Rs. 75/-	Rs. 100/-
InterState	Rs. 75/-	Rs. 100/-	Rs. 125/-

Note: Rs. 5/- has to be paid to the driver as incentive for each courier carried in the bus and for loading Rs. 1/- and un-loading Rs.1/- per each cover to be paid to hamali as incentive.

The revised tariffs are incorporated in the computer software. Revised tariffs to be displayed at the parcel counters. The revised tariff will be effective from the date of 08.06.18.
