RTC House, VIJAYAWADA-520 013.

Dated 22.04.2019.

Lr.No.C2/541(12)/2019-Dy.CM(C)

To
All Regional Managers
APSRTC.

Sub: APSRTC LOGISTICS - Operation of computerized logistics counters at "C" & "D" class counters in Bus Stations - Monthly rent - Reg.

APSRTC is operating logistics business on its own from 27.8.2017. Tenders are invited for operation of 66 counters.

In order to improve revenue wide network is required. APSRTC is having 423 bus stations at various locations in the State. It is not viable to operate counters at remaining Bus Stations. Agents are not coming forward to operate logistic counter at other bus stations due to low net revenue. At these places, now agents are booking parcels outside the Bus Stations and transporting parcels to Bus Stations for loading in the buses. This involves extra cost to the customer and customers are discouraged to book parcels through APSRTC at these places.

Further the agents who are having their counters outside bus stations are not be able to receive parcels regularly. In order to improve revenue more number of logistic counters have to be operated in bus stations. Letter No.C2/541(6)/2019-Dy.CM(C), dt.15.2.2019 is issued permitting the OPRS agent, bus pass counters and other stalls to operate counters without additional payment of license fee. There is positive response at a very few bus stations.

In order to encourage more agents to operate counters at the remaining bus stations it is proposed to fix the license fee for the counters as follows.

1. Daily net revenue below Rs.5,000/- no license fee for a period of six months.
2. Daily net revenue from Rs.5,000/- to Rs.10,000/- license fee of Rs.1,000/-
3. Daily net revenue from Rs.10,000/- to Rs.15,000/- license fee of Rs.3,000/-
4. Daily net revenue from Rs.15,000/- to Rs.20,000/- license fee of Rs.5,000/-

At most of these bus stations some stalls are vacant for a long period are some logistic counter area is available. These stalls / logistic counter / open space 10' x 15' may be permitted for utilization for improvement of revenue without loss of commercial license fee realized.

ATMs and Depot Managers may be advised to identify agents for all bus stations on priority to improve network.

This has the approval of VC&MD and valid for a period of 6 months on trial basis.

22/4/19.
