Minimum billing demand: Maximum demand recorded during the month or 80% of contracted demand which ever is higher.

Minimum Energy Charges: Actual energy consumption or 25 Units/KVA of billing demand per month which ever is higher.

=====  
III) ELECTRICITY DUTY:

In addition to the above tariff, consumers of all the above categories shall have to pay Electricity Duty at the rate of 6 paise per unit per month.

The above tariffs are valid from 01.04.04 to 31.03.05. The other terms and conditions communicated vide circular at (1) remains the same.

The tariff has been reduced in all the categories for 2004-05 compared to last year tariff (2003-04), except for LT-Category-I where in the tariff remains same. Hence there is lot of scope to reduce the electricity expenditure.

All the unit Officers are advised to implement the instructions issued vide circular cited at (3) and reduce the expenditure on electricity bills in the months to come.

The unit officers are also advised to go through the Gazette Notifications of APTRANSCO for any changes in tariffs for making subsequent payments.

The unit Officers shall ensure proper payment of electricity bills. Any excess payments due to wrong categorisation or wrong accountal and avoidable payments made to APTRANSCO will have to be viewed seriously and responsibility has to be fixed on the concerned.
