ANDHRA PRADESH STATE ROAD TRANSPORT CORPORATION

Case No: TR1/815(20)/2010-MED.

O/o VC&MD
Hyderabad-624

CIRCULAR NO: 20/2010 – MED Dt.18.08.2010

SUB: **TYRES** – Standardization of Tyre and Tread Rubber brands for proper consolidation – Reg.

&&&&&

Off late, it is observed that the Tyre Retreading shops are following **different abbreviations for the brands and manufacturing names of Tyre and Tread Rubber supplying companies**. This is resulting in **difficulty to consolidate the performance received from the various units**.

Therefore it is decided to streamline this activity by **standardizing the abbreviations** for the different brands of Tyre and Tread Rubber. Care is taken to include all the prevailing brands. The details are enclosed in Annexure-I and II respectively. In case of **Tyre details at annexure –I, the last three columns** are identical to first three columns of **Makewise and Brandwise Scrapped Tyres performance statement**. The data is to be modified accordingly. In case of **Makewise analysis of Tread Rubber statement**, the data in second column (brand) is to be **ensured as per the brand abbreviations given at last column of Annexure-II**.

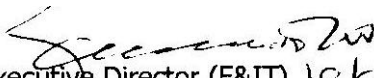

However, if any correction or new inclusions are needed, AMEs are advised to send the **feedback** immediately on receipt of this circular and **after thorough verification & confirmation**.

All the **Assistant Mechanical Engineers** are advised to follow the above standardized names **w.e.f.** from the month of **August 2010** and submit compliance report to that effect.

In case of any emergency **local procurement of Tread Rubber** from the manufacturers / brands other than the standardized, a **self explaining abbreviation is to be recorded** so as to avoid any type of resemblance with the standardized brand abbreviations and further confusion in consolidation.

Works Managers are advised to see that the instructions are implemented without any deviation and that the compliance is sent promptly by the respective AMEs under their jurisdiction.

Executive Directors of Zones are requested for effective and prompt implementation of above instructions.

Executive Director (E&IT) 18/8/10
