

ANDHRA PRADESH STATE ROAD TRANSPORT CORPORATION

Case No.OP5/Gen(4)/2016-MED

Office of the VC & MD,
RTC House, VJA – 13.
DATE : 05.10.2016.

To,
The Regional Managers,
APSRTC.

Sub: First Aid Boxes:- Provision of First Aid Boxes with Medicines in the Buses-Reg.

Ref: 1. CMV Rules, 1989, Rule No.128.

2.Circular no.4/92-MED, Dt.28-01-1992.

You are aware that, it is statutory to provide First Aid Boxes along with essential medicines in all Passengers Transport buses as per rule no. 128 of CMV rules 1989. Guidelines were also communicated vide Circular reference 2nd cited above in this regard.

On inspection of buses at random at various depots and bus stations, it is observed that First Aid Medicines are not available in the First Aid Boxes in some of the buses. The Hon'ble Lokayukta for the states of AP & Telangana has taken a serious note of the same and directed to take necessary corrective action.

All Regional Managers are therefore advised to arrange to provide First Aid Boxes with essential medicines in all the buses at specified place i.e. behind the driver partion as per the rule no.128 of CMVR. The medicines shall be replenished immediately (if necessary by processing through Zonal Stores) after expiry or the medicines are consumed whichever is earlier.

This work shall be completed before 31.10.2016 and a compliance be submitted this office on or before 15.11.2016 without fail.
