

ANDHRA PRADESH STATE ROAD TRANSPORT CORPORATION

Operations(PLG) Department, RTC-House-Vijayawada

No: P9/359(33)/2021-OPD (P)

Circular no. 04 /2023 –OPD (PLG), Dated: 21 .02.2023

Sub: HIRING: Hiring of buses –Dispensing the system of topping up of Diesel Exhaust Fluid (DEF) /Adblue oil to the hire buses notified vide MSTC VI (April 2022) & MSTC VI A (July 2022) tenders at the depots w.e.f 01.03.2023 – Instructions issued – Reg.

A provision was incorporated in the agreement, Tender schedule of MSTC VI & VIA tenders respectively that "The Adblue oil (Diesel Exhaust Fluid) will be topped up @5 liters per 100 liters (@ 5%) of HSD oil top up along with the Diesel oil (HSD) at depots for the hire buses."

339 hire buses were allotted vide MSTC VI tender and 395 buses were allotted vide MSTC VI A tenders. Vide Lr. No.OP3/462(DEF)/2022-MED, Dt.22-08-22 MED communicated instructions to top up DEF under specification AS: 543:87: OCT: 2021 for all hire buses at depots.

The Hire Bus owners reported that the Selective Catalytic Reduction (SCR) system spares are very expensive and failure within the warranty period due to non usage of recommended brand DEF will attract denial of claims under warranty.

In view of the above, the MSTC hire bus owners' welfare association and successful bidders represented to dispense the system of Topping up of DEF/Adblue oil at the depots and to include the cost component involved in this regard in the floor rate of hire buses so that they can make their own arrangements for topping up outside.

The issue has been examined in detail and the competent authority with the concurrence of FA&CAO accorded approval to dispense with the system of topping up of DEF/Adblue oil to the hire buses introduced vide MSTC VI (April 2022) & MSTC VI A (July 2022) tenders at the depots. The following instructions are given for adherence:

1. To dispense with the system of topping up of DEF/Adblue oil to MSTC VI & MSTC VI- A tender hire buses by the Corporation at the depots, w.e.f. 01.03.2023.
2. To inform the above decision to the successful bidders and hire bus owners of MSTC VI, MSTC VI A tenders to make their own arrangements for top up of DEF / Adblue oil and take proper acknowledgment from the HB owner and file in the respective hire bus case, without fail.

3. The cost component to be added against each allotted lot/bus is enclosed at Annexure A for MSTC VI hire buses & at Annexure B for MSTC VI A hire buses. The same shall be increased in the allotted rate from the date of dispensing of topping up of DEF/Adblue oil & to pay hire charges after audit.
4. In case of hire bus for which DEF/Adblue oil is not topped up by the Corporation the CPK shall be increased from the date of commencement of operation of respective hire bus.
5. In case of the hire buses which are initially topped up for DEF at depots and later discontinued, this CPK shall be increased in the floor rate from the date of stoppage of DEF/Adblue oil top-up.
6. In case of hire buses for which the DEF is topped up for a period with intermittent gaps or different spells, the days and kms shall be reconciled summarizing the total DEF topped up and to pay for the kms for which the DEF was not topped up till 28.02.2023 as per the indicated increase in CPK against those specific lots/buses.
7. The DEF CPK is taken as fixed cost & there will be no revision of DEF CPK for the entire agreement period.
8. There shall not be any reimbursement for saved oil nor recovery in case of excess top up of DEF/Adblue oil as is being done for HSD oil, from the date of topping up of DEF/Adblue oil by Corporation to till cessation.

The above instructions are not applicable to the hire buses introduced vide MSTC VI B tenders notified in the month of September 2022 since the DEF/ Adblue oil shall be topped up by the hire bus owners only on his own as the cost involved in this regard is already added in the floor rate.

ED/Zones and DPTOs are advised to ensure the implementation of above instructions during their inspection of depots.

Necessary action shall be taken and report compliance by 15.03.2023.

Encls. As above
