Instructions were issued vide circulars cited above, authorising RMs to allot stalls/covered/uncovered open spaces at the Bus stations on nomination basis for running short term business for a maximum period of 3 months.

In this context, many field managers during commercial revenue promotion meetings expressed that licence period for short term business may be increased at least to 6 months from the existing period of 3 months, in order to encourage the entrepreneurs and get attractive commercial offers.

Accordingly VC & MD authorised ED/Zones to extend licence period of vacant open spaces(covered/uncovered) at the Bus stations allotted on nomination basis for running short term businesses from the existing period of 3 months to 6 months, based upon the representation of licensee, recommendations of the Regional Tender Committee, Regional Manager, as per the same terms and conditions as in force. The other instructions in the circular 1st cited hold good.

The Field managers are therefore advised to note the above instructions and give wide publicity among the local business entrepreneurs about the increase in licence period of vacant open spaces (covered/uncovered) being allotted for running short term business(es) and ensure that all the vacant spaces may be allotted for short term business(es).
