SUB: CONCESSION: Provision of 10% concession on base fare for all AC services till 31.03.2021 - Issue of instructions-reg.

REF: 1) Note file no. M/171(01)/2021-OPD (M), dated 28.01.2021.

APSRTC is operating 334 AC schedules per day under online passenger reservation system (OPRS) offering 17,463 seats per day. Even after restoration of operations after lifting lock down period, the performance of AC services has not improved due to covid apprehension among public and also due to low fares offered by private operators. The occupancy ratio of AC services upto Jan'21 is furnished hereunder:

S No	Product	No. of schedules operated	OR		
			Upto Jan'21	Upto Jan'20	Variance
1	Vennela	16	56	76	-20
2	Amaravati	54	48	66	-18
3	Garuda	23	54	67	-13
4	Indra	130	62	70	-8
5	Metro Luxury	26	69	79	-10

In view of the above, still more than 30% of the seating capacity of the bus is being unutilized affecting the revenues in AC services.

During the meeting held with all Regional Managers on 17.02.2021, RMs opined that fares may be reduced by 10% in all AC services to attract passengers from private buses. In order to retain existing EPK, the OR should increase by 5% to 7% with reduction of fare by 10%.

After reviewing the performance of AC services and considering the opinion of Regional Managers, the competent authority has accorded approval to reduce base fare of all AC services including Metro Luxury by 10% till 31.03.2021 on trail basis.

Therefore, all Regional Managers advised to implement 10% concession on base fare for all AC services including Metro Luxury by 10% till 31.03.2021 on trail basis & send compliance report every fortnight.
