**CIRCULAR No. 12/2003-OPD(C), DATED 13-02-2003**

Sub: **LICENSING** - Sale of Mineral Water in Bus Stations by the existing licensees on payment of additional licence fee - Instructions - Regarding.

Ref : Circular No.19/2001-OPD(C), dated. 12-04-2001.

Instructions were issued vide circular cited to permit the existing licensees of Canteens / Stalls to sell mineral water on payment of additional licence fee as decided / fixed by the Regional Tender Committee, depending upon the importance and business potentiality of the bus station. Also, it was made clear, not to permit any other licensee to sell mineral water, if licence is given for sale of mineral water exclusively in any bus station.

Corporate Office has called tenders and finalised allotment of 6'x 6' space at certain bus stations on payment of monthly licence fee for installation of 'KIOSK' to sell safe drinking water exclusively. The licensees of KIOSKS installed to sell safe drinking water, have represented, that allowing all licensees in bus stations to sell Mineral water is hampering their business prospects.

In the light of the above representations, the matter has been examined and the following instructions are issued:

1. In Bus Stations, where licence is given for sale of mineral water exclusively, or for installation of KIOSK to sell safe drinking water, no other licensee shall be permitted to sell Mineral water.

If permission is already given for sale of mineral water on payment of additional licence fee prior to installation of exclusive mineral water stall/KIOSK for sale of safe drinking water, it shall be continued till the completion of the licence period of the stall.

2. Where there is no exclusive stall/KIOSK for sale of mineral water/safe drinking water, permission shall be given to the licensees of existing stalls to sell Mineral water on payment of additional licence fee as decided by the Tender Committee.

3. The Tender Committee, while fixing the additional licence fee towards sale of Mineral water, shall take into consideration, the business potential of the stall, the monthly licence fee being paid etc. However, the additional licence fee to be fixed in future, towards sale of Mineral water shall not be less than.
