CIRCULAR NO.16/2000-OPD(MKTG);DT.09.06.2000

SUB: CONCESSIONAL ANNUAL TRAVEL (CAT) SCHEME:
Certain modifications to make it more user-
friendly.

REF: Circular No.69/99-OPD(M), Dt.18.12.1999.

- o O o -

Concessional Annual Travel (CAT) Scheme was launched with effect from 1.1.2000 vide circular cited at reference. As per the circular, the CAT card holders are allowed to travel in all types of mofussil services with 10% concession on fares. But 10% concession is applicable when fare amount is Rs.15/- and above only.

On a review of performance of the scheme it is found that the scheme has attracted considerable chunk of frequent travellers. At the same time, some of the Card-holders have expressed dis-satisfaction regarding not getting the declared percentage of concession at certain fare slabs and also about its non-applicability in case of distances having a fare less than Rs.15/-.

On examining the above issues, the following revised guidelines are issued :

CONCESSION TO BE ALLOWED IN ORDINARY SERVICES :

1. Concession is to be extended to the card holders while travelling in ordinary services for all fare stages except 1st stage(the concession is not extended for 1st stage in view of minimum fare condition).
2. The fare chargeable from the CAT card holders is immediate lower slab upto 45 KMs travel. The fare chargeable from 50 Kms. onwards is as per existing concessional fare chart (i.e., one fare stage concession upto 95 Kms. and two fare stages concession from 100 Kms. onwards).

Examples:-

(a).If the distance of travel made is 30 Kms., the actual fare is Rs.9.00 and after allowing 10% concession the fare will be Rs.8.10. To avoid change problem the previous slab i.e Rs.7.50 shall be collected.

(b).If the actual fare is Rs.31.50 for 105 Kms. travel, the fare after allowing 10% concession will be Rs.28.35. To set in the nearest fare slab, reduce two fare slabs (including actual fare slab). So, Rs.28.50 shall be collected.

CONCESSION TO BE ALLOWED IN SPECIAL TYPE OF SERVICES (I.E. EXP,LUX,DLX,HI-TECH,AC & AC-SLEEPER)

1. Concession to be extended to the card holders while travelling in special type services is 10% on actual fare. After allowing concession the fare is to be rounded off to the nearest rupee i.e. when the fare is in the fraction of a rupee upto 50 paise, it has to be rounded off to the lower fare slab and if it is above 50 paise, the fare has to be rounded off to higher fare slab.

Examples:-

(a).In case of Express Service, if the actual fare is Rs.9.00, the fare after 10% concession will be Rs.8.10ps. i.e., fraction of rupee is below 0.50ps. To be more passenger-friendly here-onwards, the fare to be collected is Rs.8.00 only i.e., lower multiple of rupee.

(b).In case of Express Service, if the actual fare is Rs.32.00, the fare after 10% concession will be Rs.28.80ps. i.e., fraction of rupee is above 0.50ps. Hence the fare to be collected is Rs.29.00 i.e., higher multiple of Rupee.

2. The concession is applicable to all the fare stages except 1st stage (due to minimum fare condition).

The tables showing the existing concession and revised concession for all types of services are furnished in the annexures enclosed.

All the Depot Managers are advised to implement the revised guidelines duly taking up internal publicity measures i.e by organising Gate Meetings, exhibiting on notice boards and supplying the revised fare table charts as per the annexures etc., to our operating crew so as to notify the revised fare collecting system.

CARE SHALL BE TAKEN TO AVOID ANY COMPLAINTS BY THE CARD HOLDERS ON ACCOUNT OF IGNORANCE ABOUT THE REVISED INSTRUCTIONS ON THE PART OF OUR OPERATING CREW.

The Principals of Zonal Training Colleges are advised to arrange to explain the changes during Training programme of all Traffic staff and Supervisors.

All Regional Managers and Dy.CTMs shall take up adequate external publicity on these modifications so as to heighten awareness of existing 'CAT Card' Members and launch a special drive to enroll new members into the scheme.

All the Unit Officers are advised to carefully study the circular instructions, ensure their implementation and report compliance.

The revised instructions will come into effect from 1.7.2000.

This has the concurrence of Financial Adviser.
