Circular No. 18/99 OPD(P), Dt. 19-03-99

Sub: BUS PASSES: SSC Public Examinations March'99  
- Travel of students by A.P.S.R.T.C. buses  
during the examinations - Instructions issued  
- Reg.

Ref: Circular No. 16/99 OPD(P) Dt. 16-03-99.

- o o o -

Attention is invited to the Circular cited wherein instructions have been issued to collect charges from the students appearing for SSC Examinations of March 1999. It was also stated clearly that the students who were holding valid passes be allowed to travel by the buses of Corporation to attend to the examination centre provided the examination centre is on the route from which pass is held by the student.

You are aware that the Government have adopted jumbling system in regard to allocation of various centres as was done in the last year and therefore there is every likelihood of students forced to travel on deviated routes (i.e.,) the route not covered by the bus pass in such a case fare shall be collected from the student without giving preference to the pass held by him.

All the Unit Officers are therefore advised to issue necessary instructions to the operating crew to collect charges from the students appearing for SSC Public Examinations of March'99 in respect of those who do not have passes and also checkup the passes held by the students invariably to ensure that the travel is in accordance with the pass issued.

Necessary instructions shall also be incorporated in AI Card of each service to enable the conductors to take necessary action to collect fares from the students.

*The above instructions shall be exhibited on the Depot Notice Board for information of conductors.*
