CIRCULAR_NO. 42/2001-OPD(T) DATED 04-09-2001.

SUB:-Entry of Breakeven cost on the "Top of S.R"by the Conductors - Issue of Instructions - Regarding.

REF:-Minutes of the meeting of EDs of Corporate Office and Zones with VC&MD on 07-08-2001 (Item No. II-16).

-oOo-

During the meeting of EDs of Corporate Office and Zones held with VC & MD on 07-08-2001, it is felt that the Conductors should be made aware of breakeven cost of the service by making an entry on the "Top of SR".

You are aware that Computer software is available at all depots for calculation of breakeven cost for each of the services every month. An entry of breakeven cost shall have to be made on the "top of S.R" to enable the conductors for achieving the breakeven cost which ultimately improves the profitability of Depot.

Further, a board has to be displayed at out-going control chart, with service-wise breakeven earnings of all services of depot and also MTD-7(Conductor Receipt Book) supplied to the Conductor. The figures should be updated every month (by 1st of every month).

The Depot Managers are directed to get the service-wise breakeven cost posted on the top of S.R by the ADC concerned at the time of issuing S.R to the Conductor.

Please acknowledge.
