CIRCULAR NO.50/2001-OPD(R&D),DT.26-09-2001

Sub: SUGGESTIONS - Display of Bus timings at all important Railway Stations - Instructions - Reg.

A suggestion has been received to display the bus timings at important Railway stations for information to the passengers. It will also help the passengers who miss the trains and prefers to catch the immediate available bus and avoid waiting for the next train to come.

It was also suggested to operate long distance bus services duly touching the railway stations originating in the town/city, so that the passengers can avail our bus services.

The VC & MD desired that this suggestion be implemented immediately.

After examining the following instructions are issued for immediate implementation.

1. To discuss with local railway authorities and display the Bus timings adjacent to the Railway timings Board at all important Railway stations.
2. The long distance bus services be operated duly touching the local Railway Stations to pickup the left over/intending passengers.

All the Regional Managers and Divisional Managers and Depot Managers are advised to take immediate action to implement these instructions to display the Bus timings at all important railway stations in their Regions/Divisions and report compliance.
