Corporation has reserved two seats in all City, Ordinary, Express, Luxury and Deluxe type of services for exclusive occupation of Physically Handicapped persons.

Representations have been received from the Associations of Senior Citizens to reserve seats in buses for their exclusive use as it is becoming difficult for them to travel standing in the overcrowded buses which they cannot withstand due to old age.

The matter has been examined. It is decided to allow the "Senior Citizens" to occupy one seat among the two seats already earmarked to Physically Disabled persons in different types of buses.

All the Depot Managers are therefore advised to take action to ensure that the two seats reserved in City/Ordinary/Express/Luxury and Deluxe buses for Physically Disabled persons be repainted as below for easy identification.

"RESERVED FOR PHYSICALLY HANDICAPPED AND SENIOR CITIZENS"

The two seats so reserved shall be occupied one each by Physically Disabled and Senior Citizens on first come first serve basis.

The crew of the buses be issued instructions to honour the Physically Disabled as well as Senior Citizens and to guide them in occupying the seats meant for them.

A report of compliance be submitted as having earmarked the seats as indicated above by 31.12.1999.
