Sub: FARES – Rationalization of fares for special type district services – Reg.

Ref: 01. Circular No. 09/2015- OPD –P- dated 31-05-2018

02. GO Ms. Nos. 18 & 19 of TR & B (TR-I) Dept dated 03rd /04th Feb 2006.

The present system of fare collection for all special type district services is reviewed and it is observed that the net fare collected from the passengers is ending with any digit from 0 to 9, resulting in avoidable hassle of change due for both the crew as well as the passengers.

In August 2017, fares of city services are rationalized to multiples of Rs.5/- and the results are encouraging in reducing change due issues.

On similar lines, the fares of all special type district services (other than Vennela) shall be rounded off after adding all applicable levies to the next higher multiple of Rs.5/-, for all cash transactions and applicable to all passengers including children, senior citizens and all types of passengers availing any concession.

The system of rounding off fares to the next higher multiple of Rs 10/- after adding all applicable levies shall continue for Vennela.

However with respect to all e- transactions the existing system shall continue.

In the instance of cancellation of ticket, and at the time of arranging refund, rounding off to the next lower multiple of Rs. 5/- shall be adopted.

The above instructions come into effect from the first departure on 22-06-2018 for all special type district services. The night out services which start before 00.00 hrs of 22-06-2018 shall continue with pre-rationalized fares till the completion of the respective schedule. For passengers who reserved their seats before 22-06-2018, difference of fare shall not be collected
