In view of the above, vide reference 2nd and 3rd cited instructions were issued to extend the agreement of hire buses to the extent of days lost in agreement period for operation during the lock down and subsequent period.

In order to implement the revised wage component in floor rate, it is advised to exclude the non-operation period of agreement or phase 1&2 extended periods during the year 2020 & 2021 due to Covid-19 pandemic, for reckoning the year of operation of respective hire bus i.e commencement of 3rd, 7th and 8th year as the case may be. An illustration in this regard is enclosed herewith.

As an example "On an average the increased wage component in floor rate for different notifications/products of hire buses is ranging between 15 to 51 paise/km for a VU of 400 kms".

If VU of any hire bus is revised as per the approval of the competent authority, corresponding wage component of that particular VU (by way of adding or subtracting the difference of wage component for the already adopted wage of earlier VU) shall be considered from the date of such modification. The same methodology is applicable for tyre revisions also except MSTC tender buses.

Further during the 2nd wave all hire bus operations were again suspended from 05.05.21 to 31.8.21. Thus, thereby non operation of hire buses about 13 months during these two spells.

As per the approval of the Board, the agreement was extended by a period which was lost in the above 2 spells for not allowing the buses for operation, duly entering into supplementary agreements for the extended period with the other terms and conditions being the same as in the main agreements.

Though agreement of hire buses was extended about 13 months & above, the actual operation of hire buses will be confined to the agreement period only. There will not be any change in the agreement period of hire buses even after extending the agreement period either in one spell or second spell or both spells i.e if the agreement period prior to extension is 1 to 4 years, after extension of agreement also consider it as 1 to 4 years only. Similarly 5-6 years agreement will be 5 to 6 years, etc.
