CIRCULAR NO.03/2018-Comm. Dated 01.06.2018.

Sub: **LOGISTICS**:Revision of Parcel Tariff - Instructions issued - Regarding.

Ref: 1. Circular No.14/2016-OPD(C-2), Dated 16.06.2016.

2. Circular No.04/2017-Comm, Dated 06.10.2017.

3. Circular No.,01/2018-Comm, Dated 22.05.2018.

APSRTC has started Logistic business on trial basis from June, 2016. Commercial operations started from 27.08.2017 after completion of M/s ANL contract period. A study was conducted and it is noted that there is a scope for increase in revenue as the computerization is completed and operations also streamlined to a large extent.

Vide ref. 3rd cited, it was communicated to retain the minimum weight slab of 25 kgs. and increase the tariff for every 5 kgs. after the minimum weight wherein the distance slabs are also rationalized.

After the implementation of the revised tariff, performance was reviewed. Though there is no drop in total number of parcels booked, anegative impact is noticed in 0 to 5 kgs of weight parcels and distance below 100 kms. Hence, it is opined that to introduce one more weight slab up to 10 kgs and retain present tariff for 11 to 25 kgs and introduce a distance slab up to 75 kms and retain the present tariff for 76 to 200 kmsslabs in order to improve the number of bookings and revenue.

The approved tariff with one moreslab in distance and in weight is as follows:

KMs	weight in kgs
