

**ANDHRA PRADESH STATE ROAD TRANSPORT CORPORATION**

Operations Department (Traffic), RTC House, Vijayawada

M1/291(1)/2022-OPD(M)

Date:24.08.2022.

**Circular No: 14/2023-OPD(T), Dt: 24.08.2023**

**Sub: FARES:** Revision of fares of Green Intercity AC product - Communication of revised basic fare – Regarding.

**Ref:** Circular No: 22/2022-OPD(P), Dt: 23.09.2022.

\*\*\*

APSRTC introduced electric buses with 35 seating capacity under GCC model with an aim to contain pollution and to encourage alternate fuels for sustainable transport system. Vide reference cited, the fares for the Electric buses operating in Ghat road and plain road were communicated.

Green Intercity AC buses are being operated on Inter-city routes from 1.05.2023. The performance and economics of electric bus operations on Intercity routes being operated between TPT-KDP, TPT-NLR and TPT-MDPL are reviewed considering the field experience and patronage of the services as 3 months' period is completed from commencement of operation of these buses.

To increase the ridership in Green Intercity AC buses (Electric Buses operating on plain roads) and to achieve break-even for electric buses in all routes, the competent authority with the concurrence of FA & CAO has accorded approval to revise the basic fare of Green Intercity AC product as follows:

S No	Type	Existing basic fare / KM	Revised basic fare / KM
1.	Green Intercity AC	220 ps	188 ps

The procedure for computation of fares, minimum fare, Child fare and applicable levies, etc., as mentioned in circular vide reference cited, shall remain unchanged.

The revised fares will come into force w.e.f., 26.08.2023.

  
**Executive Director(O)**

To  
All Officers of the Corporation.
