Ref: 1) Lr No R&D/535(11)/12-OPD(M) dated 23.02.2012
 2) Lr No M/804(1)/2011 - OPD(M) dated 07.03.2012

Instructions were issued through the letter 1st cited, to extend 10% concession on Return Journey Ticket Fare on booking to & fro journey tickets simultaneously for Garuda Plus, Garuda & Indra Services.

Further, through the letter 2nd cited, instructions have also been issued for extending concessions for e-ticketing passengers on group booking.

Since these two letters have been issued separately, there is ambiguity in concessions allowed to the various clientele for e-ticketing passengers and others and many field Officers are seeking clarification. Hence it is clarified with the following table with the details of applicable concessions to the target clientele for various types of services.

SL NO	Target Clientele	Single journey	Return Journey Ticket	Type of services
1	e-Ticketing only for Group booking (Group Concession)	5% concession	10% concession	Vennela, Garuda Plus, Garuda, Indra, SL & DLX
2	At RTC, ATB counters and e-ticketing. (Individual Concession)	No Concession	10% concession	Garuda Plus, Garuda & Indra only
