**CIRCULAR NO.05/2014-OPD(C), Dt.07.02.2014**

Sub:- LICENSING :- Licence fee rate (per sft.) to be collected for the stalls/spaces at the Bus stations allotted / to be allotted for installation of Bank ATMs - Issue of instructions - Reg.

Ref:- 1. Lr.No.C5/437(122)/2007-OPD(C), Dt.30.10.2013.

2. Lr.No.C5/437(122)/2007-OPD(C), Dt.08.02.11.

As per the instructions in vogue, the stalls/spaces at the Bus stations are being allotted to Banks for installation of ATMs on nomination basis for a period of 5 years at the following rates.

Bus station category	Rate per sft. (in Rs.)	
	Pucca stall	Open space
METRO	150/-	95/-
NON METRO	120/-	75/-

The above rates were uniform for the initial 3 years period and enhanced over the earlier realised licence fee by 10% and 15% in 4<sup>th</sup> and 5<sup>th</sup> years of contract.

In some of the regions, the licence period of the stalls/spaces allotted for Bank ATMs are to expire shortly. In addition to this, many Banks and other private organizations authorized by Reserve Bank of India (RBI) are requesting for allotment of stalls/spaces at the Bus stations for installation of ATMs.

As the above rates were fixed 5 years ago, there is a need to revise the same. Further it is opined that the existing categorisation of Bus stations for Bank ATMs, i.e., Metro & Non-Metro shall have to be changed in order to fix different rates for different Bus stations.

Keeping all the aspects in view, the following instructions are issued with the approval of VC & MD and the concurrence of FA & CAO:

1. RMs are authorised to allot stalls/spaces at the Bus stations to Banks / organisations authorised by Reserve Bank of India for installation of ATMs on nomination basis for a maximum period of 5 years as per the rates (with applicable enhancements) mentioned here under:

Hereafter the stalls/spaces at the Bus stations shall be allotted to the Banks / organisations authorised by RBI for installation of ATMs at the above rates only (renewal of the existing / fresh allotment).

Example: If a bank / organisation authorised by RBI approaches in the year 2016 for installation of an ATM at a particular Bus station, it shall be allotted at the rates stipulated for the year 2016. However, the rate shall be constant for the initial period of two years from the period of contract and the rates shall be increased by 5% in 3<sup>rd</sup> year, 10% in 4<sup>th</sup> year and 15% in 5<sup>th</sup> year over the preceding year's licence fee.
