(Office of the VC&MD, Operations (Planning) Department, RTC House, VJA)

P9/291(2)/2022-OPD(P)

**Circular No. 06/2022 OPD(P), DT: 13.04.2022.**

**Sub: FARES: FUEL CESS:** Collection of Fuel Cess from the passengers travelling in all types of buses consequent to the HSD price escalation - Communication-Reg.

\*\*\*

The Corporation is operating an average volume of 41 lakh Kms with 10458 (RTC+HIRE) schedules duly transporting 42 lakhs average passengers per day, on an average 7.34 lakh liters diesel is being consumed for the operation.

Government of India has adopted the price revision policy on petroleum products on daily basis. There is a very steep increase in Diesel prices affecting the Corporation's bottom line. The additional financial burden on Corporation is increasing alarmingly consequent to steep upward revision of HSD prices.

Keeping in view of the huge additional financial burden on account of increasing HSD prices, in order to offset the increasing financial burden, it is proposed to levy "**FUEL CESS**" per passenger in respect of adult and child passengers for their journey in all types of buses of the Corporation as follows, pending ratification of the Board:

1. To levy Fuel Cess @ **Rs. 2/-** per passenger per journey in respect of adult and child passengers travelling in **Pallevelugu, Ultra Pallevelugu & City Ordinary Services.**
2. To levy Fuel Cess @ **Rs. 5/-** per passenger per journey in respect of adult and child passengers traveling in **Metro Express, Metro Deluxe, Express, Saptagiri Express and Ultra Deluxe services.**
3. To levy Fuel Cess @ **Rs. 10/-** per passenger per journey in respect of adult and child passengers travelling in **Super Luxury, Super Luxury AC, Metro Luxury AC, Indra, Night Rider, Garuda, Amaravati, Dolphin Cruise and Vennela Services.**
