Sub: Flexi Fares: Review of performance of services with flexi fare system (FFS) – Issue of instructions - Reg.

Ref: 1) Lr.no.M/291(1)/2016-OPD(M), Dated. 13.04.16.
2) Video Conference Conducted by VC&MD On 27.04.16.
3) Lr.no.R1/535(237)/2015-OPD-CSC, Dated. 29.08.15.
4) Lr.no.R1/535(252)/2015-OPD(CSC), Dated.09.10.15.

With the reference cited above, approval for adopting flexi fare system for certain services proposed by respective Regional Managers was communicated duly furnishing guidelines and trial period of operations as "From 18/04/16 to 17/04/16". A review was conducted by VC & MD on performance of these services through video conference on 27/04/16.

Based on suggestions from field managers & also as per instructions from VC & MD, an excel format for performance review is prepared and the same is kept in google drive for getting the same filled daily at respective depots.

The procedure for entering data in the above excel format is furnished below.

- a) Enter the url "drive.google.com" in the browser.
- b) Log in with user name "flexifare" and password "flexifare123"
- c) Click on the excel sheet "Flexifare data entry sheet"
- d) Enter the details of average earnings realized upto 17/04/16, normal fare, fare adopted, no.of passengers as per OPRS and earnings against OPRS service no.of respective depot every day.
- e) After completion of data entry log out of the system.

Feeding of data in the above excel format is essential for review of performance of services covered under flexi fare system. Hence it is requested to arrange to feed the information on daily basis.

In order to arrive at service wise (i.e., OPRS No wise) earnings realized, seats booked through OPRS etc., such details pertaining to OPRS as per auxiliary way bill have to be necessarily fed into driver TIM before closure of trip. Many drivers are not feeding such data into driver TIM, even though it was advised to ensure the same through letters under reference 3rd & 4th cited.

Hence it is requested to instruct on duty OPRS supervisor to ensure feeding of the data "Seats booked & earnings realized through OPRS as per auxiliary way bill" into driver TIM at the time of issue of auxiliary way bill during up trip as well as down trip.

The list of services along with OPRS no.s is furnished in annexure A enclosed herewith.
