NOTIFICATION

Sub: SENIORITY- Publication of final Seniority list of Asst. Engineer (Mech.) working as on 31-03-2018 – Reg.

- Ref: 1. Circular No.PD-26/2012 dated 19-09-2012.
2. This office Notification No. even dated 31-10-2015.
3. Notification No. PD-10/2017 dated 20-12-2017.

Through the notification 2nd cited, the provisional seniority list of 136 Assistant Engineer(Mech) working as on 31-10-2015 in the residuary APSRTC on provisional allotment of state cadre employees consequent to bifurcation of APSRTC, was notified to the respective employees and to the offices concerned for information and confirmation. The said notification was subject to the final allotment of the state cadre employees as per the guide lines that were to be finalized at that time by the Corporation Board.

It was requested to send the objections received from the individual employees concerned on the seniority lists if any, besides any discrepancies noticed there in, after thorough verification of the data with that recorded in the P.Cases and other relevant files etc., along with proof on or before 20-11-2015. The objections and corrections so received were incorporated in the provisional seniority list under reference 2nd cited above. However, the updated final seniority list could not be published for the reason that permanent allotment of state cadre employees between the two residuary entities was still pending at that time.

The permanent allotment of state cadre employees was notified vide Notification No.PD-10/2017 dated 20.12.2017 under reference 3rd cited in accordance with the Board Resolution No.2/2017 dated 24.08.2017. All the state cadre employees who were notified to be allotted to TSRTC vide the above notification were relieved by 29.12.2017.

Since the work of permanent allotment of state cadre staff between the two residual entities is settled, the final seniority list of Assistant Engineer(Mech) working in APSRTC has to be published duly incorporating the additions / deletions of personnel from 01.11.2015 to 31.03.2018 in the provisional seniority list cited above. The names of the Assistant Engineer(Mech) given in Table I below are inserted at appropriate place and those given in Table II overleaf are deleted from the final seniority list of Assistant Engineer(Mech) being notified now for the reasons mentioned against each.
