No.Ea/255(14)/2015-PD

Date: 21.11.2015.

OFFICE ORDER

SUB: ESTABLISHMENT: Change of administrative control of Field Engineers from respective Zonal EDs/RMs to Chief Civil Engineer – Orders communicated – Reg.

Ref: Circular No.PD-49/2006, dated 07.11.2006.

<<>>

Vide circular under reference, instructions were issued that consequent to Zonal set-up, the jurisdiction of Executive Engineers (Civil) was continued under CCE for Technical and functional control and the Executive Engineers working at zones were placed under the administrative control of respective Executive Directors of Zones. For effective co-ordination and for speeding up of civil maintenance works, The Dy.Executive Engineers (Civil) in the Regions were placed under the administrative control of Regional Managers concerned, but functionally they shall continue to be under the control of CCE.

After bifurcation of APSRTC, it is felt that the jurisdiction is reduced to 13 districts and monitoring of functioning as well as administration of CED from Vijayawada will not be difficult to the CCE. Further, to utilize the budget and to execute the works properly and improve the other District Bus Stations on the lines of PNBS/Vijayawada, the VC & MD ordered to bring all the field Engineers i.e. EEs, Dy.EEs, AEs, SOs etc under the administrative control of Chief Civil Engineer.

Therefore, with immediate effect, all the Executive Engineers, Dy. Executive Engineers, Asst. Engineers, Section Officers etc., shall work under the Administrative Control of Chief Civil Engineer for all purposes.

The Merit Rating Reports of Executive Engineers will be rated by the CCE and countersigned by the VC & MD. The MRRs of Dy.Executive Engineers will be rated by the Executive Engineers and countersigned by the CCE.

To

All Officers of the Corporation.
