The NEC Region has to be divided into Srikakulam & Vizianagaram districts. And in this case of NEC Region individual districts are to be considered while recruiting region level cadres.

As per the Government Memo No.42005/Ser.D/2002-1, dt. 28.08.2002, reservation in direct recruitment in favour of local candidates and open category is 70:30, the first 30% of the posts have to be filled up from the combined merit list of both local and open category (both local and non-local) candidates based on their overall merit and the communal roster. The remaining 70% of the posts have to be filled up only by local candidates based on their merit and communal roster point. The same analogy may be applied for Regional level categories also in the ratio of 80:20. The vacancies allocated to the local candidates need not be notified.

While recruiting the employees to any category the instructions given above are to be strictly adhered to. The same principle has to be applied while recruiting Drivers and Conductors on contract basis also.

These instructions will apply to the on going recruitment and those which will be finalized from today.
