Sub: DISPOSAL of Unserviceable Material – VAT – Implemen-  
tation of VAT - Revised Master schedule for U/s lots  
-Instructions - issued - Reg

....

The Government of Andhra Pradesh has introduced Value Added Tax w.e.f. 1.4.2005 for all the Sales / Purchases of material categorized in the VAT Act.

APSRTC has been disposing off Unserviceable Vehicles, Materials, Tyres etc., in the Tender Cum Auction being conducted at various Zonal Stores as per the tender schedules given by Corporate Office.

The Unserviceable Master schedule is detailed in the SPD manual under chapter "DISPOSAL". The Zones had sought clarification on the tariff of VAT applicable for various items. The subject was also discussed in the COS's meeting on 30.6.2005. All the relevant details were examined by the Officers of the Stores & Purchase Department and Accounts Department at Corporate Office. As per the VAT manual and clarification issued by Commissioner Commercial Taxes, Hyderabad, the list has been reclassified.

The revised schedule of items with lot description, Unit of measurement and the applicable VAT tariff are enclosed to this circular.

In order to have Uniformity in the tariff of Value added Tax chargeable at all zones, the revised Master schedule (unserviceable items ) comprising of 427 items is enclosed for implementation.

The Computers Department has been requested to incorporate necessary changes on the Olims Module.

While incorporating the revised Master schedule in the OLIMS all COSs shall adhere to the following guidelines:

1. Under no circumstances the nomenclature / description of the lots as per the revised Master Schedule be changed at Zones.
2. In case there is a need for change in description / nomenclature the same shall be referred to the Corporate office with details and reasons for requesting such change.
3. In case of an item for which nomenclature / description is not found in the list enclosed, the same should be informed to the Corporate Office with details of material composition etc.

This circular is issued as per the concurrence given by the Chief Accounts Officer and Financial Adviser.

Please acknowledge and report compliance.

Encl: as above.
