O/o VC & Managing Director
Mushirabad : Hyderabad
Dt.4-7-1992.

To

The Principals,
Regional Staff Training Colleges,
A.P.S.R.T.C.,
BR/GR/WL/VJA/NLR/KRNL & VZM.

Sub:- Apprentices - Implementation of
Apprentices Act, 1961 - Reg.

- Ref:- 1) Circular No.19/1989-PD, dt.1st
July, 1989.
2) Minutes of Principals' Meeting
held on 20.6.1992 communicated
vide T2/264(3)/92-HRD, dt.29-6-92.

-oOo-

During the meeting of the Principals on
20-6-1992, it was impressed on the Principals not
to divert the vacancies of One trade to another
trade, since the Corporation is facing severe finan-
cial crisis. This does not mean to stop the recruit-
ment of Apprentices, which is a statutory obligation.

Principals are hereby advised to go ahead
with the selection and engagement of Apprentices on
the basis of guidelines given in the Circular referred
at (1). However the vacancies that are unfilled
due to non-availability of candidates in a particular
trade, need not be diverted to another trade where
demand is more, as is being done earlier. The number
in each trade should not exceed the allotted number
in any circumstances.

Further, the allotment of Apprentices for the
new regions will be reviewed at an appropriate time.
Since the Regional allotment has been distributed on
the basis of vehicle strength in the Divisions, this will
not come in way for selections. Till such time, a
directive issued from Head Office, the existing pattern
of allotment will continue and selections will be taken
up by the Principals of Regional Staff Training Colleges.

CHIEF MANAGER (HRD).
