2. Principal, ZSTC, KRNL, Lr.No. SA/16(2)/2015-ZSTC:Q, dt.30.03.2016.

Automated Driver Testing Tracks (ADTT) have been established at ZSTC/VJA and ZSTC/KRNL with the primary aim of testing the driving skills of Heavy drivers. The ADTTs are fully operational.

The Transport Department authorities have approached us and requested for utilization of the track by them to test the Drivers for the purpose of awarding Heavy Driving Licence.

The Principal ZSTC, Kurnool has also informed that utilization of track by Transport Department on payment basis can fetch income to the Corporation by testing Drivers on the track for issue of license by RTO on payment basis. Besides it will help in effective utilization of Automated Driving Test Track and requested for directive in the matter.

The matter is examined in detail and it is decided to permit the Road Transport Authorities to use our ADTT to test candidates for award of Heavy Licences on payment basis.

The fee to be collected along with Terms & Conditions is given below:-
