APSRTC has the requisite potential expertise and resources to impart knowledge and skills through its ZSTCs to trainees of Corporation as well as out side Departments.

The Transport Academy, 6 Zonal Staff Training Colleges and Regional Training Centres are imparting Training on various subjects to Govt. Departments, Public and Private organisations ie., GMR (Shamshabad Air Port), Fire Services Department, SC & ST Corporation, Rajiv Udyog Sri Scheme and Transport Department (Asst. Motor Vehicle Inspectors)etc., also, on their request and generating some revenues. Since there is steep escalation of costs such as spares of the vehicles, cost of tyres, HSD Oil and wages of Driving Instructors etc., it is not financially viable for the Training centres to impart Training with the existing Training cost to out side Departments / Organisations.

In the light of the above circumstances it has become unavoidable to enhance the cost of training fee in accordance with the escalated price index. The cost of HMV & LMV (Residential & Non-Residential) Training fee is therefore revised to meet the actual expenditure.

The VC&MD has accorded sanction with the concurrence of CAO, to revise the Training Cost of HMV & LMV Driving Training, as furnished below:

Type of Driving Training	DESCRIPTION	DURATION	TRAINING FEE (Rs.)
LMV	RESIDENTIAL	30 DAYS	10,400.00
	NON RESIDENTIAL	30 DAYS	3,900.00
HMV	RESIDENTIAL	40 DAYS	16,500.00
	NON RESIDENTIAL	40 DAYS	7,800.00

It may please be noted that if a Trainee fails in the Driving Test to get the Driving Licence; the candidate may be given extended training on pro-rata cost basis.

Other instructions in respect of the hours on driving & theory classes, driving KMs etc. remain unchanged.

These instructions will therefore supercede the earlier instructions issued in LMV & HMV Driving Training imparted to the candidates sponsored by outside Institutions / Government Departments etc., to the extent modified as shown in the above table.

These rates will come into effect from 05.03.2011.
