2) Circular No. PD-41/1991, dt. 29.5.91.

-000-

Instructions were issued through Circular 1st cited
that the panels prepared for all Direct Recruitment posts
shall be valid for a period of one year from the date of
recruitment and there shall not be any extension of the
life time of the panels under any circumstances.

Considering the time consumed for initiating recruit-
ment which includes calling candidates, interview, driving
test, preparation of panels etc., the life period of the
panel was revised from 12 months to 18 months to the posts
of Driver and Conductor only through the Circular 2nd cited.

Though there are specific instructions, proposals
are being received from Zones for extension/revival of life
period of the panels after years of its lapse.

It is, therefore, once again reiterated that the
instructions issued through the Circulars referred above
in connection with life period of the panels shall be
followed strictly without any deviation and no proposal
shall be sent to Head Office for extension or revival of
life period of the panels.

Pending cases, if any shall be disposed off accordingly.
